Bastyr University, Auditorium • 14500 Juanita Dr NE • Kenmore, WA 98028

DR. BRIAN CLEMENT, Ph.D., N.M.D., L.N., has spearheaded the international progressive health movement for more than four decades. He is the Director of the renowned Hippocrates Health Institute and has pioneered clinical research and training in disease prevention, giving Clement insight into the lifestyle required to prevent and eliminate disease, enhance longevity, and maintain vitality. Dr. Clement has written dozen of books focused on healthy, spirituality and natural healing, including "Life-Force" which Dr. Colin Campbell calls "One of the most important books ever written on nutrition."
